Dear Alan: Subject: [redacted]

We recently received the attached IAC notice which does not specifically mention our type of monitoring or press scrutiny. I discussed this omission with Mr. Carey and he agreed that we should bring it to the attention of the IAC. A copy of our memorandum is attached for your information in connection with your discussions with the Senior Representative.

I understand that this matter was originally placed on the IAC agenda for 12 April, but that it has been removed for discussion at some future IAC meeting.

Sincerely,

[redacted] 25X1
